

— Ansys Motion system 사용하기

처음 Ansys Motion을 사용하는 경우

Ansys Motion system 사용하기

1. Click **ACT Start Page** in the Project toolbar.

2. Click **Manage Extensions** in the ACT Home window.

3. In the Extension Manager, click **Load as default** for the ANSYS Motion extension.

4. The **Ansys Motion** system is now listed in the Analysis Systems toolbox and the project schematic.
